“...really cool tool that’s with you when you need it.”

SWISS+TECH® brand tools enjoy a strong reputation for precision crafted, high quality and very durable designs at key impulse price points. These three ever-popular Solid Stainless Steel Key Ring Tools stand as the foundation on which that reputation was built.

### Multi-Function micro-tools

Screwz-All® and patented Micro-Plus® and Micro-Tech™ offer quick-release, self-locking mechanisms that easily secure onto key rings for handy everyday use. Each fits conveniently into pocket, bag or backpack to be readily available for hundreds of quick indoor, outdoor or emergency repairs and installations.

### Strong POS Merchandising

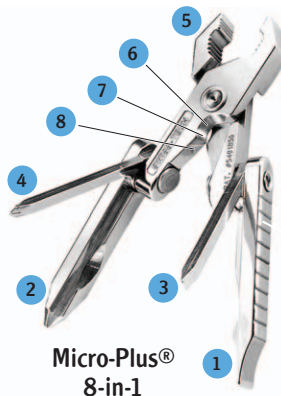

New, high-impact packaging dynamically enhances point-of-sale purchases with bright, eye-catching, color graphics that clearly and effectively communicate features and benefits. Ask about complete merchandising programs, including clip strips, one, two and four section counter displays, and wall displays.
